Re: Notice of *Ex Parte* Presentation in CG Docket No. 02-278

Dear Ms. Dortch:

On June 5, 2003, Jerry Cerasale and James Conway of The Direct Marketing Association ("DMA") and Heather L. McDowell of Venable discussed the Commission's rules implementing the Telephone Consumer Protection Act of 1991 ("TCPA") with Commissioner Kathleen Q. Abernathy, Matthew A. Brill, and Shannon Torgerson of the Federal Communications Commission.

During the meeting, the attendees discussed the DMA's position, as stated in its comments and reply comments filed in this proceeding, on the creation of a national do-not-call list and its interaction with both the Federal Trade Commission's list and state do-not-call lists. The attendees also discussed DMA's comments and reply comments on the conflicts between the FTC's rules regarding "predictive dialers" and the TCPA's ban on recorded messages.

In accordance with the Sections 1.49(f) and 1.1206(b) of the Commission's rules, a copy of this letter is being filed electronically for inclusion in the public record of the above-reference proceeding.

Respectfully submitted,

/s/

Kerri Congdon
